Delta 3 trolley shelter: More convenience for market and customers

Successful sales start at the car park. Your customers will appreciate attractive trolley shelters for provision of their shopping trolleys. These are essential for perfecting the customer-friendly and cost-saving coin deposit systems and also for reasons of hygiene.

Detailed quality

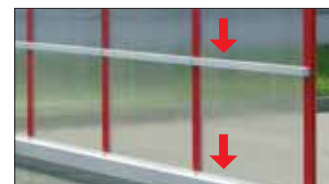

1-section construction

The side and roof elements of high-quality, non-breakable polycarbonate hollow chamber panels are dirt-resistant.

Attractive colours

The aluminium profiles with rounded exterior are also available in your CI colour upon request.

Protection for shopping trolleys and shelter

Square aluminium tubes and profiles guide and protect the shopping trolley basket and chassis.

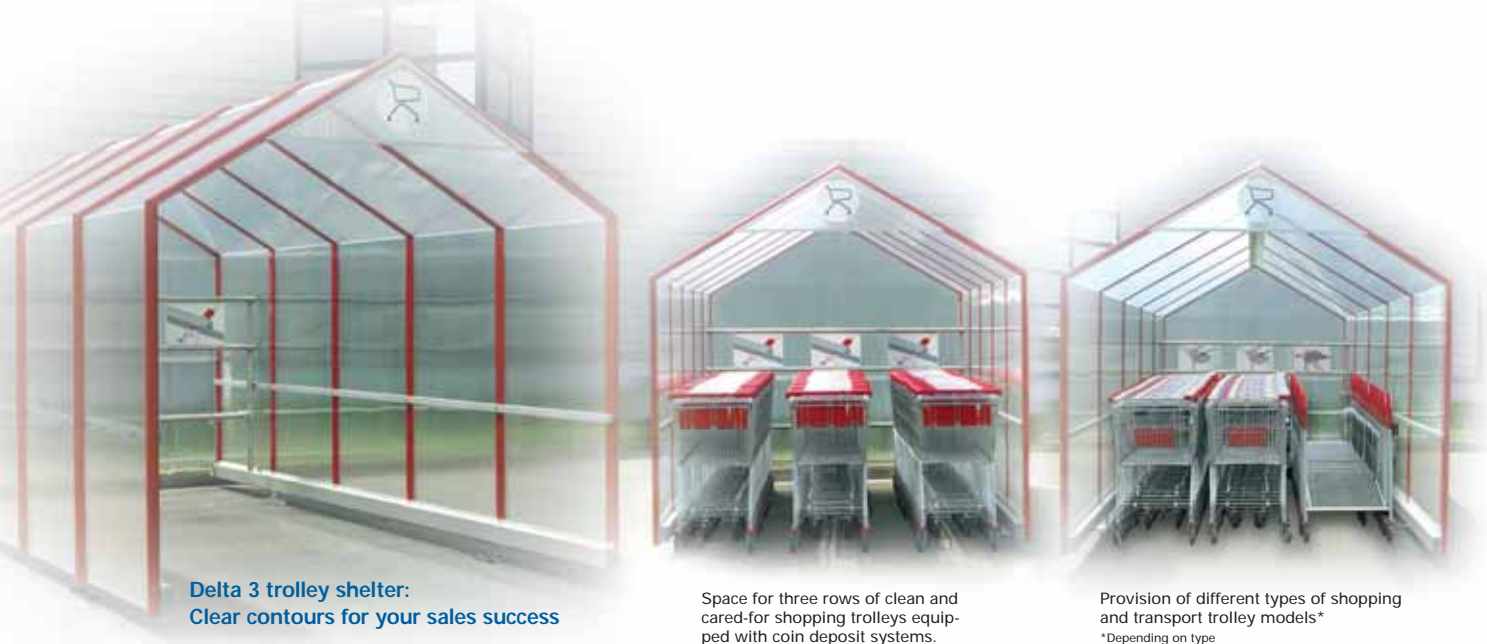

Versatile, safe and reliable installation

Infinitely variable bases, secured to the ground with heavy-duty dowels.

Delta 3, trolley shelter, length 5 metres, surface plastic coated in RAL 3000 - flame red. Shopping trolleys equipped with the Wanzl Promobox coin deposit system.

Successful sales...

Delta 3 trolley shelter:
Clear contours for your sales success

Space for three rows of clean and cared-for shopping trolleys equipped with coin deposit systems.

Provision of different types of shopping and transport trolley models*
*Depending on type

... start at the car park !

The Delta 3 trolley shelter is an additional service for your customers. It is both space-saving and spacious and is available in a range of different side lengths. It accommodates three rows of trolleys and when combined with a stainless steel row docking bay it is a perfect solution for orderly and convenient provision of the trolleys.

Design

Stylish aluminium profiles, rounded exterior. Side and roof elements of single-section design made of non-breakable polycarbonate hollow chamber panels. Aluminium square tubes and profiles for guidance and impact protection of shopping trolleys. Infinitely variable bases for compensation of uneven ground.

Surfaces

Anodised aluminium or plastic coated in six standard RAL colours. Special colours available upon request Multi-colour versions available upon request in keeping with your market CI.

Standard colours

	Yellow	RAL 1021
	Yellow green	RAL 6018
	Gentian blue	RAL 5010
	Ultramarine blue	RAL 5002
	Flame red	RAL 3000
	Vermillion	RAL 2002

Please state the required colour/colour code when ordering.

Ordering example:

Order no. 03.02 600.73 1|0|21 = Yellow
